NEW! Dungeons and Dragons - Tabletop Roleplaying Camp
Dungeons and Dragons, or D&D, is a table top roleplaying game where you create a character and take on the role of them in a story played out over multiple sessions. The story is mostly a series of encounters and situations that you are walked through by a Dungeon Master. This could be as simple as, can you haggle down the price of this bag of holding? But can be as dire as a fight for your life against an Owlbear. Your outcomes of the game are based on dice rolls which are modified by the character stats you chose!

Freight Train Blues Concert Series
The Town of Carrboro Recreation, Parks, & Cultural Resources Department, in partnership with Music Maker Foundation, is pleased to present the 10th Anniversary of the Freight Train Concert Series featuring Blues and Roots music on Friday evenings starting in May.

Freight Train Blues celebrates the life and legacy of Piedmont blues legend Elizabeth “Libba” Cotten, born in 1893 in Carrboro, NC. Some of her best known compositions, like the now-standard “Freight Train” and “Shake Sugaree,” have been canonized into the repertoires of American popular culture, with the latter interpreted by Bob Dylan and Taj Mahal. Her enduring legacy was featured earlier this year in a piece from Good Morning America, who said she was “a master storyteller”. This series honors Cotten’s contributions to American roots music by highlighting the cultural significance, diversity, and vitality of her North Carolina community and its connections to artists across the nation.

For more information on the series, visit FreightTrainBlues.com.

Freight Train Blues Concert Series

The Town of Carrboro Recreation, Parks, & Cultural Resources Department, in partnership with Music Maker Foundation, is pleased to present the 10th Anniversary of the Freight Train Concert Series featuring Blues and Roots music on Friday evenings starting in May.

Freight Train Blues celebrates the life and legacy of Piedmont blues legend Elizabeth “Libba” Cotten, born in 1893 in Carrboro, NC. Some of her best known compositions, like the now-standard “Freight Train” and “Shake Sugaree,” have been canonized into the repertoires of American popular culture, with the latter interpreted by Bob Dylan and Taj Mahal. Her enduring legacy was featured earlier this year in a piece from Good Morning America, who said she was “a master storyteller”. This series honors Cotten’s contributions to American roots music by highlighting the cultural significance, diversity, and vitality of her North Carolina community and its connections to artists across the nation.
