Vegetarian Pressure Cooking
Does pressure cooking bring visions of dangerous and difficult arcane procedures? The truth with modern pressure cookers is exactly the opposite. Pressure cooking is simple, healthful, and a big time saver and the results are very tasty. In this class, we will briefly discuss the kinds of dishes that cook well under pressure. Dilip will demonstrate how quick putting a pressure cooked meal together can be by demonstrating, in each class, several fully plant-based dishes that participants will be able to enjoy. **$25 fee for food paid to instructor at first class.**

Photography Workshop: Manual Exposure
Do you have a digital SLR and want to move beyond photographing in an automatic or semi-automatic mode, like ‘P’ or aperture priority? You’re a lot smarter than your camera and, with a little guidance, can guide it to an exposure that you like more than it might come up with on your own, particularly when you are photographing a scene with significant dynamic range. We will decide as a group where we are meeting, perhaps at an area garden or woodlands. After reviewing why and how you might want to shoot in manual mode and arming you with strategies for quickly exposing for a photograph the way you want it to look, you will get to practice and get feedback. Come with a digital camera and accessories (such as tripod and flash) with which you are familiar.

HELP US BETTER SERVE OUR COMMUNITY!

As part of the Town of Carrboro’s race and equity initiative, maintaining data is important to ensure we are reaching and serving all members of our community. In order to achieve this goal, we hope to gain a better understanding of who we are currently serving. Therefore, we have added an ethnicity component to our RecTrac/WebTrac registration and reservation system.

How can you help?

We are asking that everyone who currently has an account through our RecTrac/WebTrac system to update their family’s information by providing the ethnicity of each household member. This will help us with reporting and evaluation of participation in recreation programs and activities, which will help guide our strategies to better serve the community.

If you already have a WebTrac account, please visit http://carrbororec.org and click on the RecConnect registration button:

From there, log into your account. Next, go to ‘Update Account Details’. From here, you can choose the ethnicity of family members in the drop down menu under each person. *(Please note: Due to a bug in the RecTrac software, the main contact ethnicity field is not currently showing online. To update this field for the main contact, you may call the department at 919.918.7364 or email our Administrative Assistant at dsanders@townofcarrboro.org)*

If you do not have a WebTrac account and the ability to update online, please contact our Administrative Assistant at the above phone number or email address and we can assist you with entering this information.

THANK YOU FOR HELPING US BETTER SERVE OUR ENTIRE COMMUNITY!

Carrboro Connects: The Town of Carrboro’s NEW Comprehensive Plan
Create. Community. Together. Facing the unprecedented challenges the COVID-19 pandemic has presented, the town is making strides in creating a new comprehensive plan that will help to guide our decisions and shape our future. Together, through this process, we are engaging with the community to understand priorities and visions for what the Town’s future could be. We are tackling present challenges such as racial inequality and the climate emergency while also working to anticipate and plan for the challenges of the future. Carrboro Connects dives into a variety of interconnected topics such as affordable housing, economic sustainability, climate and environment, transportation and infrastructure, and recreation, parks, and cultural resources to look for crosscutting strategies and solutions.

Carrboro is on track to finish the plan by the end of 2021. As part of this process, we want to hear from everyone who cares about Carrboro’s future. See the project website CarrboroConnects.org or contact Ben Berolzheimer at bberolzheimer@townofcarrboro.org or 919-918-7330.

The 203 Project
Future home of the Orange County Southern Branch Library, the Town’s Recreation Parks and Cultural Resources Department, Orange County’s Skills Development Center, Guardian ad litem program, WCOM radio, Virtual Justice Center, Teen Center, and much more! This exciting project, culminating decades of community commitment to the development of a southern branch of the Orange County Public Library, will host traditional services as well as new collaborative programming that interconnects learning with arts and leisure. For more information, check the project website, http://townofcarrboro.org/1151/The-203-Project or contact Trish McGuire at pmcguire@townofcarrboro.org or 919-918-7327.

Planning, Zoning, and Inspections - Open for Business!
Despite the emergency order and closures, planning, permitting, inspections, and GIS have been steady working at Town Hall, in the field, and remotely. Approvals for the new ArtsCenter, Club Nova clubhouse, and the 203 Project, and site construction at Kentfields and Sanderway are all in progress. The town’s online permitting portal, PIPER, is ready and waiting for your inquiry, application or inspection request. Learn how to set up an account at this link (https://piper.townofcarrboro.org/EnerGovProd/SelfService/Home#/register), or access the system at (https://piper.townofcarrboro.org/EnerGovProd/SelfService/Home#/home). For more information on planning services, contact the department at PlanDept@townofcarrboro.org or 919-918-7324. We hope to hear from you!

S. Greensboro Sidewalk Design
The sidewalk will be constructed on one side of S. Greensboro St. from the northern end of Old Pittsboro Rd. to the NC-54 eastbound off-ramp, and on to the Public Works driveway. The sidewalk would fill a major gap for pedestrians from the higher-density area along Smith Level Rd., south of NC-54 bypass, to downtown. It will provide access to downtown transit service for residents along S. Greensboro St. and Smith Level Rd., as well as access to the J bus stop on S. Greensboro St. across from Rand Rd. It will contribute to a safer and more comfortable walking environment for pedestrians traveling north and south on S. Greensboro St. and underneath NC-54 bypass. It will also connect to the Roberson Place Bike Path and on to the Libba Cotten Bike Path to Chapel Hill. See the project website at http://www.townofcarrboro.org/2303/S-Greensboro-Sidewalk or contact Tina Moon, cmoon@townofcarrboro.org or 919-918-7325 with questions.

• During activities where parents are a part of the supervision process, we ask that parents be responsible for their children before, during, and after any event or activity. This is due to the nature of public recreation programs and the heavy emphasis placed on the use of volunteers. We feel that it is important to communicate this to you since supervision must be the parent’s responsibility and cannot be reasonably imposed upon volunteers or employees working with the various programs. Please make certain that your child is adequately supervised at all times. In agreeing to take this responsibility as a parent we believe that your child's participation in our youth recreation program will be a safe and rewarding experience.

• During activities where parents are not a part of the supervision process, we ask that parents be responsible for their child before and after any event or activity.

• Special requests (car-pooling, team placement, scheduling, etc.) are not guaranteed.
