Photography Workshop: Manual Exposure
Do you have a digital SLR and want to move beyond photographing in an automatic or semi-automatic mode, like ‘P’ or aperture priority? You’re a lot smarter than your camera and, with a little guidance, can guide it to an exposure that you like more than it might come up with on your own, particularly when you are photographing a scene with significant dynamic range. We will decide as a group where we are meeting, perhaps at an area garden or woodlands. After reviewing why and how you might want to shoot in manual mode and arming you with strategies for quickly exposing for a photograph the way you want it to look, you will get to practice and get feedback. Come with a digital camera and accessories (such as tripod and flash) with which you are familiar.

GENERAL WAIVER AND RELEASE

• During activities where parents are a part of the supervision process, we ask that parents be responsible for their children before, during, and after any event or activity. This is due to the nature of public recreation programs and the heavy emphasis placed on the use of volunteers. We feel that it is important to communicate this to you since supervision must be the parent's responsibility and cannot be reasonably imposed upon volunteers or employees working with the various programs. Please make certain that your child is adequately supervised at all times. In agreeing to take this responsibility as a parent we believe that your child's participation in our youth recreation program will be a safe and rewarding experience.

• During activities where parents are not a part of the supervision process, we ask that parents be responsible for their child before and after any event or activity.

• Special requests (car-pooling, team placement, scheduling, etc.) are not guaranteed.

• A valid proof of age may be required for participation in some Athletic programs.

• Photographs may be taken of Carrboro Recreation and Parks Department programs/participants and used for Town of Carrboro promotional purposes.
