

COVID-19 Donation Drive

The Emergency Operations Center (EOC) is requesting donations to support the COVID-19 response. We know that our community members want to support this effort, and you may be able to help in a safe way. We are not asking the community to go out to shop for these items, but rather to **donate materials that you already have.**

We DO want:

- Non-perishable, unopened food (canned, boxed, bagged, etc)
 - **NO frozen or refrigerated items**
 - **NO homemade foods**
- Unopened hand sanitizer
- Pet supplies
 - Clean leashes, collars, toys
 - Unopened food - dry or canned
 - Unopened, in-date flea/tick medications
- Baby and child care items
 - In-date, unopened baby formula and food
 - Diaper packs. Prefer unopened packs.
 - Unopened wet wipes

We DO NOT want:

- Clothing
- Perishable, frozen or refrigerated food items
- Homemade human or pet foods
- Prescription or over the counter drugs/supplements

NO CONTACT DONATIONS

- No donor should leave their car. Put donations in the trunk/hatch or pickup bed. A volunteer will take donations out of the vehicle.
- These sites are for donations only. No distribution will be allowed from these sites.
- The donated items will go to a central sorting and storage facility to be accessed by existing community non-profit feeding partners, such as food pantries, Meals on Wheels, and other partners providing food services to the community.
